

# PROFESSIONAL WATERPROOFING CONSULTANCY & SPECIFICATION SERVICES

With extensive experience in the roofing and waterproofing industry, TDRC have worked with some of the UK's leading manufacturers of roofing and waterproofing materials.

Our expertise spans a vast array of products and systems, giving us the tools and practical know-how to help ensure that your project is a complete success.

## TRUSTED, IMPARTIAL SPECIFICATION ADVICE

TDRC can provide valuable assistance in a number of key areas:

- ✓ **Estimating Support**  
Our cost-effective roof measuring service saves time and enables accurate pricing estimates to be created for your clients.
- ✓ **Roof Surveys & Condition Reports**  
Using the latest tools & techniques, we can identify problem areas and ultimately help eliminate unnecessary, costly repairs.
- ✓ **Specification Advice & Proposals**  
With all the facts on board we will create an impartial, tailored specification proposal, identifying the most appropriate solution.

TOTALLY INDEPENDENT & MANUFACTURER FREE  
**+40  
YEARS  
EXPERIENCE**

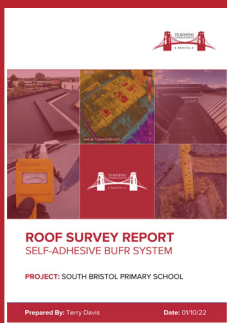

**Call Terry on 07444 527221**

## BESPOKE SPECIFICATIONS

TDRC's comprehensive specification documents typically include:

- ✓ Project summary & roof area plan
- ✓ Proposed roofing solution with summary of key benefits
- ✓ Details of any 'torch-free' zones in compliance with NFRC's Safe2Torch Guidelines
- ✓ Full system breakdown with description of each product to be used
- ✓ Details on system accessories such as rooflights & thermal insulation
- ✓ Information of system warranties provided by manufacturers
